

AUSTRALIAN PROFESSIONAL FINGERNAIL ASSOCIATION

CODE OF ETHICAL PRACTICE

As a professional and member of the A.P.F.A. I will endeavour to:

- 1. Uphold my professional standard by continuing my education thus furthering my skills and knowledge for the betterment of clients and to promote professionalism to the public.*
- 2. At all times conduct my career activities in a professional manner which will demonstrate respect of client, colleague and my profession.*
- 3. Not to partake in criticism or demeaning actions which may sabotage a fellow professional either in a personal or business manner.*
- 4. Maintain at all times total client confidentiality.*
- 5. Comply with Federal, State, Local Government and Health Department requirements to ensure the safety of client and staff.*
- 6. Not intentionally issue false or misleading information about my skills, services or products and to conduct my business dealings in a legal and proper manner.*
- 7. To participate and encourage activities to help promote and improve, for the betterment of my industry, knowledge, information and experiences with my fellow professionals.*
- 8. Never state that my membership with the A.P.F.A. is other than that which I have attained. Either a Financial Member (FMAPFA) or on successful completions of the A.P.F.A. exam, an Accredited Member (AMAPFA).*
- 9. Display this code of ethics and ensure all staff will adhere to same.*
- 10. Should I fail to renew my membership or uphold this Code of Ethics I shall willingly return my badge and certificate to the A.P.F.A.*
